Inspection Report on the house of Subroa Krishna Rasbag, Inspector Revenue Survey, situated in Basavangu Extension.

I inspected this house on the 21 Instant. The Municipal Sub-Overse accompanied me to help me in the valuation of the house and other technical matters.

From the registers maintained he it is found that the loan of Rs 300/- has been completely adjusted.

The applicant has spent his origin advance and built an incomplete structure without a roofing:

The walls are all very much dam and the timber eaten away by white an

The Municipal Sub Overseer estimates it at Rs 195/- but I am at loss to value ruined building which am afraid it exactly is. The loan even if made would not suffice to patch it up.

Under these circumstances it s submitted that the prudential comm s to refuse sanction of the advance

Inspection report on the house of Hanumanth Devoji Hagur Clerk, Rev: Survey Head quarters Office, situated in Basavanagar Extension

---

I inspected the house on 21st instant. The municipal member accompanied to assist in the Valuation of the house. It is submitted for the consideration of Government that the advance applied for is for improving a house which the owner alleges he has built, and the civil account Code art. 136 permits advances to officials who have no houses at all. Nor does the Specially Sanctioned advance apply in the case since no advance was in the first instance made. My valuation of the house is Rs 152 but the M.S. is is Rs 1804- the loan asked for amount

the applicant's
to Rs 1501- and he tells us
not "insured" Under these
circumstances, it is submitted
that the loan be refused.

Inspection Report on the house of Nanjappa Subbiah Mojidar, Head Quarter Survey Office, situated in Basavangudi Extension.

I inspected this house on the 21st Instant. The Municipal Sub-Overseer accompanied me to help me in the valuation of the house and other technical matters. The loan asked for is for improving a house the applicant has bought. My rough valuation of the house is Rs 300, while that of the Sub-Overseer is Rs 349/-.

One applicant A. Seemmasanya was present and he represented the other. He told me that the house was free from encumbrances and that his uncle Nanjappah Subbiah had not insured his life.

Further the house seems to be joint property which reduces the security which can be given by the applicants individually and under these circumstances it is submitted the advance may not be sanctioned.

My rough valuation of the house is
Rs 600/- and the Municipal Sub
Overseer is Rs 693/-

The improvements suggested by
the owner are terracing the 2 front
rooms, Constructing a verandah and
